Label **.absolute. [koblenz] · a division of trente oiseaux**
Reference **.a.[k] 005-04**
Release **August 16, 2004**

Contact **Firmungsstraße 27 · 56068 Koblenz · Germany · info@trenteoiseaux.com**
Web **www.trenteoiseaux.com · www.absolutesound.net**

a szellem álma ("the dream of a ghost") is a collaboration between sound artists Marc Behrens and Francisco López, which started three years ago with a joint recording session at Frankfurt airport.

Sharing a common pool of mutated sound materials, they have created two parallel sonic worlds inhabited by obscurity, complexity, and resilience.

Two long journeys across purely sonic geographies. Crisp, dense, delicate, and full of intricate spaces. Like the dreams of a ghost.
